Veterans Meet at Summit

Why has "patriotism" become a bad word?

Tell people you're patriotic and they get a faraway look in their eyes.

That look is the shield they use to prevent "right-winger" and "super-patriot" philosophy from infecting their minds.

It's all very silly and it would be an amusing study in juvenile psychology, except for the grimness of its portent.

Whether anyone wants to accept the bad-word philosophy of patriotism as being Communist inspired is up to individual choice and the strength of his spine.

There are more reasons to believe it is than the contrary.

It was at the San Diego County Veterans' Summit meeting earlier this month at the Admiral Kidd club that this out-of-kilter philosophy was spotlighted.

More than 400 veterans and their wives gave standing-ovation support to the ideas of love of country, the flag and the principle of free people.

One ovation was for Vice Adm. L. S. Sabin, USN, ret., who commanded the 1954 Passage to Freedom in Vietnam after the French collapsed. Under his command, hundreds of thousands of Vietnamese were transported to refuge in the south.

Sabin slapped out at those who explain the threat of communism as a myth.

He condemned the great concern U.S. has for world opinion while the Soviet Union marches ahead in its campaign to enslave the world.

He noted that Communists have gained control over one half of the world's real estate and well over one billion people in the last 50 years. This fact cannot be refuted. Because the ideology of communism has been insidiously fed into the thoughts of many otherwise patriotic Americans, some today have a guilt complex. Logic tells them communist leaders are vying for their minds. What is seen is people trying to shield their conscience with the far away look.

To those at the February Summit Meeting, there were none who indicated disbelief as Sabin ticked off other facts.

"The Communist march toward their goal has caused an explosion in the Middle East, a volatile Far East, a subjected Hungary, a split Korea, an oppressed Poland, a nervous West Germany, and a separate Vietnam," he said.

In our own hemisphere, America is no longer protected by the Monroe Doctrine. A Communist state is only missile minutes away from our shores," he added.

He decried the surrender of the intelligence ship Pueblo without a single officer of the Navy risking his professional neck by sending assistance.

"We must never again commit U.S. forces to combat under a no-win policy as we did in Vietnam," he said.

Some of these events — maybe all — might not have occurred if our policy makers would have acknowledged the pressure of communism and girded Americans for the psychological battle that has America segmented.

The communist line would have you believe that the communist threat is a figment of a right-wing mind. Under this concept, according to Sabin, the Free World has appeased and retreated while Communists pursue their course without the slightest attention to world opinion.

At the San Diego Summit, another speaker, Lt. Gen. J. W. O'Daniel, USA ret., was critical of the press for failure to report facts from Vietnam from 1965 when the government was striving for a stable situation. They put more emphasis on the so-called atrocities under investigation today, he noted.

"I'm a hawk," O'Daniel said. "I am glad to be among the hawks and not the chicken-livered doves," he said.

In all, it was a rewarding experience in patriotic fervor. These veterans, all of whom offered more for the people of their country than most of today's hot-house protesters, were not suggesting a program of suppression. They were trying to pick a path to peace that would leave no American with less freedom than he had before today's epidemic of anarchy and sedition in the U.S. whereby many of our institutions and cities have been set afire.

They desperately want to battle, at least on equal terms, those who challenge our history and who would seduce our youth and our religion.

These attacks on our freedom often gain protection from those communism would destroy. That tragic.

Veterans, with their history of sacrifice, can properly give leadership for a return to democratic principles.

The first Veterans' Summit was held last year at historic, hallowed Valley Forge. It was sponsored by Copley Newspapers. Last month at Admiral Kidd club where a similar meeting was held, the heartening response to a panel of patriotic American speakers was rewarding.

These veterans, we observed, were ready to fight again for their country. But never before had the enemy been so insidious and determined.

We need more such summit meetings of veterans.

Grove Broadway Accident Rate 'Twice the National Average'

DID IT RAIN? — By all means. In fact, the weekend storm flooded, temporarily, several low-lying areas, including the quad at Mount Miguel High. Here, student Tom Green takes a ride in a garbage can across the huge puddle. (Photo by David Cody)

The traffic accident rate on Broadway in Lemon Grove is twice as high as the national average, H. M. Taylor, San Diego County Road Engineer told this newspaper this week. 61 reported accidents have occurred during the past 3 years. Probably three times that many go unreported.

He said the abnormal rate is partly due to the undefined travelled way between Imperial and Kempf with its unusual parking arrangement. Contributing also, he said, was the absence of left turn channel at Imperial.

In non-engineering terms that means that a center island, left turn channels, and traffic access controls between Broadway parking areas and the thoroughfare are desirable.

A San Diego County Traffic Advisory Committee report, made less than a year ago, noted that Broadway is highly congested because of the high volume of traffic entering and leaving from the adjacent business areas.

Late last year the speed limit on Broadway in the high-accident area was reduced from 35 mph to 25 although there appears to be little or no enforcement of the new limit.

County Engineer Taylor said that improving the safety level of the area was being thwarted by local property owners. He did not identify them by name.

The two greatest contributors to the accident rate are the Imperial-Broadway intersection and the area at the Lemon Grove Post Office.

The Advisory Committee reported that more than 7,000 vehicles per day move each way on Broadway at Washington. More than 9,000 daily travel each way on Broadway at West St.

The engineer's report: "There have been 61 reported accidents during the past 3-year period; of these 24 were injury, 36 were property damage only; and 1 involved an

injury to a pedestrian. These figures do not include the many accidents that usually occur but go unreported; for these we have no statistics.

The accident rate for this section of Broadway is approximately 9.2 accidents per million vehicle miles travelled. This rate includes those accidents occurring at the intersections of Main Street and at Imperial Avenue. The above rate is approximately two times the National average for similar roadways with comparable volumes of traffic. This abnormal rate is partly due to the undefined travelled way through Lemon Grove with its unusual parking arrangement and the absence of left-turn channelization approaching Imperial Avenue.

"In viewing the collision diagram for this section of Broadway, it is apparent that the rear-end and violation-of-right-of-way accidents could be significantly reduced with separate left-turn channelization, separate parking areas with specific locations for en-

trances and exits, and separate left-turn signal phasing at Imperial Avenue.

"Our proposed Departmental Budget for fiscal year 1970-71 contains a project for the reconstruction of Broadway to a four-lane, divided facility with appropriate channelization and signal equipment to provide separate left-turn phases at Imperial Avenue. Under the current schedule, work would begin around the first of January, 1971. However, because of the local community feeling concerning this project, it has not been possible to move it along.

"From a traffic safety standpoint, it should be scheduled immediately. The obvious benefits of reducing collisions that have caused 25 injury accidents in the past three years should be readily apparent to the community. The additional benefits of defining the roadway and the parking area would lend itself to smoother, safer traffic movements for both the 'through' motorist and the 'parker'."

Site Committee Says MV Ranch Is Best

Grossmont College's site selection committee recommended to the Board of Trustees last week that land on the Monte Vista Ranch is the best possible location for a proposed second campus.

The board took no action other than to accept the recommendations. The move was seen to help the board bargaining position.

The land was recently purchased by a developer who plans to turn it into a total community. Representatives have expressed interest in locating a college there.

The site selection committee personally inspected various plots of land and voted last week to put the Monte Vista ranch land on top of the list.

The new campus, proposed by Trustees to take the burden

off the existing Grossmont College, is expected to house 10,000 students by the year 2000.

The committee also recommended that a third site be purchased if money is available.

The trustees said a firm decision of a second campus location would be made between now and July 1, 1971.

They said the acceptance of the committee's recommendations does not preclude the consideration of other properties that become available before then.

LG Fire Report

The Lemon Grove Fire Department, for the week of Feb. 23 - March 2 answered four fire calls and one rescue call. Here is the fire report:

Feb. 23 at 6:39 p.m., firemen were called to 1615 Larwood dr. A station wagon belonging to Mike Wilks burned in the amount of about \$25, the cause unknown. However, there had been a small fire in some blankets in the rear of the vehicle.

Feb. 25, there were two calls: Paul Stoner, a Lemon Grove mail carrier, was delivering mail in his own car, when he parked at the corner of Central and Citrus to make a delivery. Extensive heat in the padded dash caused burning, which in turn caused extensive damage to the car, about \$600, and slight damage to some mail, the fire department report stated.

That call came in at 12:55 p.m. A second fire was reported at 2:05 p.m., a workman's welding torch ignited an advertising sign on Federal Blvd. the sign belonging to the San Diego Sign Co., which was tearing down the sign, so no damage was reported.

March 1 a false alarm was turned in at 1:49 p.m., and reported to be a house at 2734 Bonita st., causing fire equipment and men to "roll."

The one rescue call was on Feb. 28 at 5:17 p.m. William R. Mathews, 67, of 1541 Bakersfield, was dead on arrival of the rescuers, possibly from a heart attack.

Neighborhood Meet Set For San Altos

A community meeting for all residents of San Altos neighborhood, is scheduled for 8 p.m. Tuesday, March 17, at San Altos Elementary School, 1750 Madera st., Lemon Grove.

Grossmont Hospital Issue Gets 59% OK

Fifty nine per cent of the voters in Tuesday's election approved the \$10.5 million Grossmont Hospital expansion program and work will be started on it right away.

The County Registrar of Voters listed as unofficial totals 14,140 yes and 9,464 no votes. Under a joint powers agency agreement, a simple majority was required as compared with a 66 2/3rds approval to pass bond issues.

Twice before the issue failed as a bond election.

The election was for the formation of a joint powers agency. This being approved,

the district will now jointly form the agency and the agency will finance the construction by the sale of bonds.

The registrar will tabulate the vote next week so that a precinct-by-precinct list may be published when it is available.

The formation of a joint powers agency was recommended by a citizens committee.

The expansion calls for a six-story addition to the present facility. It also calls for expansion of X-ray, surgery and laboratory facilities.

Completion of the expansion is planned for January, 1974.

Chamber Appoints Election Committee

A five member nominating committee was named by the Chamber of Commerce to recommend candidates for the coming election of officers and board members.

Al Woods was named chairman of the committee. Other members are Sam Pernicano, Frenchy Faucher, Louise Warren and Cliff Clark.

Six board members are up for reelection or replacement. They are Gary Conrad, Dr. Don Johnson, A. E. "Bob" Howell, Dr. George Brassington,

Bill Vandenberg and Clifton Clark. Also Associate Member Frenchy Faucher and Director at Large Frank Thomas.

The election will take place at the next regular meeting, March 26, noon, in the Burning T Steak House.

The Chamber was advised that the Old Time Days Association has made arrangements for Ron Mix, former San Diego Charger football great, to act as Grand Marshal of the May 23 parade. Mix will also be a guest at the Kickoff Dinner, May 3.

Plans are also underway for the Annual Installation Party to be held in the VFW Hall. Suggested dates are April 4, 11 or 18.

The matter of repairing the sign that greets people coming out of San Diego with the legend "Shop, Live, Play in Lemon Grove" is being looked into.

The Pacific Beach Town Council has petitioned the telephone company to take them off the long distance exchange. They asked the Lemon Grove Chamber to send the telephone company a letter supporting their petition.

It Was a 3" Storm

When it rains it pours.

Almost three inches of it. Local meteorologist Don Norvell said that 2.90 inches of rain fell here Saturday, Sunday and Monday.

It brought the season total to 6.52 inches. That compares with 14.21 inches for the same period last year.

Rainfall is measured at local fire stations. Rain season starts July 1.

Baptists To Attend Conference

A staff meeting of Sunday School teachers in the Primary departments of the Sunday School of Casa de Oro Baptist Church, was well-attended and informative on March 3, and followed by fellowship and refreshments.

On Thursday evening the ladies of the church will have a bridal shower, honoring Miss Jani Williams, who will become the bride of Jerry Henke on March 20.

The annual Missionary Conference held in San Diego area General Conference Churches, begins March 10. Miss Gertrude Nelson, a missionary to Assam, India, will speak the evening of March 10 to the ladies of Casa de Oro Baptist Church.

The India theme will be carried out in the entire program

and it promises to be an inspiring evening of information and challenge concerning the great land of India, says Mrs. Ernest Anderson, wife of the Pastor.

On Thursday evening, also, Rev. Ernest Kratoch, recently here from India, will be guest of the church. There will be a family fellowship potluck supper at 6:30 p.m. in the church social room. The meeting will follow upstairs in the Sanctuary.

On Friday evening there will be an area-wide Missionary Rally at College Avenue Baptist Church in San Diego, when testimonies will be heard from all missionaries participating in the Conference.

The Conference at Casa de Oro Baptist Church will continue Saturday at 6:30 a.m.

with a men's breakfast, when Rev. John Maure, missionary here on furlough from Brazil, will speak.

The Conference closes on Sunday. Rev. Robert Boyd, missionary from Argentina, will be at the church for the Sunday School and morning church service. Rev. Stan Lindberg, veteran missionary from Japan, serving for 40 years, many of the years in China, will bring the closing message.

At the close of the evening service there will be a fellowship hour downstairs, where missionary display booths, depicting General Conference mission stations, will be enjoyed. At each booth refreshments will be served.

It promises to be a week of special blessing as all may hear and see through pictures, the work of the Lord "in the regions beyond," points out Rev. Ernest Anderson, pastor.

Tennessee's population is now 3,975,000.

Methodists Here Plan 'Day Apart'

The Women's Society of Christian Service of the United Methodist Church in the San Diego District, will hold its annual "Day Apart", a day of study and meditation, Monday.

Members of local societies will be taking part in the meeting, at the Lemon Grove United Methodist Church, from all parts of the district.

Highlighting the program will be Rev. Tom Warner, pastor of the host church, who will speak both morning and afternoon using the theme "Wherever shall we be sated?"

Morning events will include book browsing, informal singing and, following Rev. Warner's morning talk, small discussion groups will be formed.

Mrs. Robert Bohler, chairman of the day, has selected various members of the district executive committee and several local presidents to lead these groups. Mrs. Bohler is also the district chairman of spiritual growth.

Guest soloist Mrs. Cecil Stepp, president of the Cholas View society, will be accompanied by Mrs. Joe Garrett, organist for the host church.

Women will bring sack lunches. Coffee, dessert and child care are available. Mrs. Harold Hensley, president of the Lemon Grove society, is receiving reservations.

Baptist Women Meet Tomorrow

The Heartland Council of Church Women United, with Mrs. Thelma Lewis of the First Baptist Church of Spring Valley, as this year's president, will meet tomorrow at 10 a.m. in St. Andrews Episcopal Church, 8745 Lemon ave., La Mesa.

St. Andrews Church will be the host church of the meeting and the meeting will be open to the public. Child care will be provided.

Theme for the March 6 meeting will be "Take Courage." Speaker will be Rev. Charles Conder, Dean of San Diego Convocation of Episcopal Churches.

A "coffee brunch" will be held sometime during the morning, donations for the brunch to be used for the Heartland groups scholarship fund. Spring Valley twins, Sandy and Susie Wingate, members of the First Baptist Church of Spring Valley, were the recipients of such a scholarship in January, their second series.

The Heartland Council is comprised of women from 13 churches in the areas of Spring Valley, Lemon Grove, La Mesa and El Cajon.

Jr. Daughters

Meet Wednesday

Junior Catholic Daughters of Court Teresa of Avila 1580, held their regular meeting last night at the home of Mrs. Frank Grundle with Court president Linda Wilson presiding.

Installation ceremonies were held on Sunday, February 22, with the following officers being installed: president, Linda Wilson; vice president, Susan Wilson; secretary, Margaret Reinbold; Court reporter, Susan Edgill.

State vice president Linda Ramos conducted the installation ceremonies.

What Is Purpose Of Social Security?

Q. Isn't social security's main purpose to keep people out of poverty?

A. The primary purpose of social security is to help replace earnings lost because of the retirement, disability, or death of the family breadwinner. About 10 million people are able to live above the poverty level because of social security benefits.

Q. My wife is also 62 and will soon be applying for benefits on my social security record. Will this cause my benefit check to be less?

A. No. The amount of your check will remain the same.

Q. Has there always been a limit as to how much a person could earn after retirement without losing social security benefits?

A. Yes. But the retirement test has been changed by Congress nine times to keep pace with increased benefits and higher earnings levels. Each time it has been made more liberal.

Q. When I became 65 last year, I did not sign up for the medical insurance part of Medicare. Is it too late for me to enroll now?

A. No. You have another chance, but March 31 is the deadline for this year's general enrollment period.

If you have further questions regarding the Social Security Law, contact or write the Social Security Office, 570 North Second st., El Cajon.

The office is open from 8:30 a.m. until 4:30 p.m., Monday through Friday. The telephone number is 442-0851.

This newspaper presents this question and answer column about the Social Security program as a public service to our readers.

The questions are those most frequently asked about Social Security. The answers are provided by Sumio Oto, El Cajon Social Security Office Manager.

Our Men In The Armed Forces

MICHAEL BATES

One of the Army badges that soldiers wear with special pride is the Combat Infantryman Badge. It was awarded to Private First Class Michael C. Bates near Pleiku, Vietnam.

Pfc. Bates, 21, son of Elmer C. Bates, 2172 McKnight, Lemon Grove, is assigned as a rifleman in Company C, 1st Battalion of the 4th Infantry Division's 25th Infantry.

The CIB has been awarded since late in World War II for sustained ground contact against an enemy.

He entered the Army in June 1969, completed basic training at Ft. Ord, Calif., and arrived in Vietnam last November.

Pfc. Bates, wife, Connie, lives at 8719 Highwood dr., San Diego, is a 1966 graduate of North Kansas High School. The presentation was made Jan. 21.

JOHN TRASK

Sergeant John E. Trask, 22, son of John Trask Sr., 1877 Primera st., Lemon Grove, completed Special Forces training Dec. 19 at the John F. Kennedy Center for Special Warfare, Ft. Bragg, N.C.

The sergeant, who is now prepared for an assignment with one of the six operational special forces groups around the world, received his first four weeks of training in map reading, patrolling and methods of instructing native personnel.

Sgt. Trask concluded his training with a four-week course in Special Forces tactics and techniques. He was taught the advantages of psychological warfare and the necessity for gathering and assessing intelligence data before infiltrating and actually operating in an area.

MICHAEL BAUMEISTER

Navy Petty Officer First Class Michael V. Baumeister I, son of Mr. and Mrs. Victor J. Baumeister of 9902 Jamacha Bay 72, Spring Valley, is now serving aboard the patrol gunboat USS Canon, homeported at Guam.

The Canon is designed for counter-insurgency warfare and for use in coastal waters for patrol, blockade and surveillance missions.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

The national currency of Mexico and many Spanish-speaking nations is the peso. Would you please explain the phrase "Pagara un peso a la vista al portador en efectivo" that appears on the face of some of the one peso bills. Also, what is the large circular drawing that appears on the obverse side and the tall monument that appears on the reverse side?

"Pagara" is taken from "pagar" (to pay). It is the future tense and means "will pay." The complete phrase that appears on the bill is "Banco de Mexico pagara un peso a la vista al portador en efectivo," which means "The Bank of Mexico will pay one peso in cash upon the presence of the bearer."

The large circular drawing on the face of the peso bill is the "Calendario Azteca" (Aztec Calendar). It represents one of the earliest methods of reckoning time and was used by the Aztecs for several thousand years.

A drawing of "El Angel" (The Angel) is on the reverse side of the peso bill. The Angel, a towering statue and popular landmark, stands in the center of the Paseo de la Reforma Boulevard in Mexico. A gift from France, "El Angel" is a constant reminder of Mexico's independence.

Practice phrases listed below contain some words related to the use of "pagar." You may wish to learn them with the aid of the automatic record which says them for you when you dial 276-2762. IMPORTANT PHRASES:

Say "Pagara usted manana?" (pah-gah-RAH oo-STEHD mahn-YAH-nah) for "Will you pay tomorrow?"
Say "Si, yo pagara manana." (SEE yoh pah-gah-REH mahn-YAH-nah) for "Yes, I will pay tomorrow."

USEFUL PHRASES:
Say "Cuanto pago usted?" (koo-AHN-toh pah-GOH oo-STEHD) for "How much did you pay?"
Say "Yo pague cien pesos." (yoh pah-GEH see-EHN PEH-soh) for "I paid one hundred pesos."

OTHER PHRASES:
Say "El pago es importante." (ehl PAH-goh ehs eem-pohr-TAHN-teh) for "The payment is important."
Say "Estoy pagando to do." (eh-STOH-ee pah-GAHN-doh TOH-thoh) for "I am paying everything."

Twenty-Nine Palms is the "World's Largest Marine Corps Base."

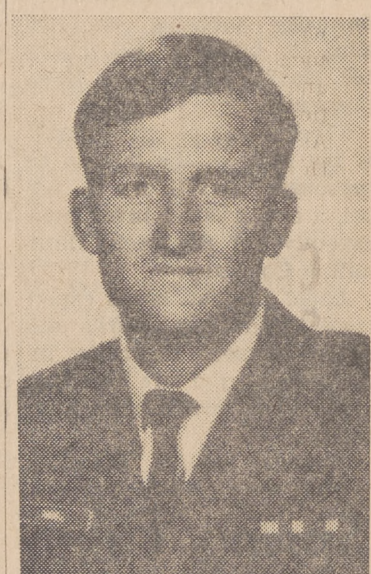

LAURAN McALPIN

Army Sp2 Lauran B. McAlpin, son of Mr. and Mrs. W. W. McAlpin, 1448 El Prado ave. in Lemon Grove, is now serving at the Army Supply Depot, Friedburg, Germany.

GEORGE HAMILL

Cadet George G. Hamill, son of Mrs. Irene L. Hamill, 9296 Ivy Ln., Spring Valley, has been named to the Commandant's List at the U. S. Air Force Academy.

The cadet, a member of the class of '70, was selected for his outstanding military performance. He will wear a silver wreath designating the honor accorded him by the Academy commandant of cadets.

He has also been selected for the position of squadron safety officer with the rank of cadet first lieutenant.

The cadet will be commissioned a second lieutenant and awarded a B.S. degree upon his graduation from the Academy.

Cadet Hamill is a 1966 graduate of Mount Miguel High School in Lemon Grove.

PETE PIRAINO

Coast Guard Seaman Apprentice Pete Piraino, son of Mr. and Mrs. Pete Piraino of 2345 Sweetwater rd., Spring Valley, graduated from recruit training at the Coast Guard Training Center, Alameda.

During his eight-week training period he received instruction in military customs and traditions, seamanship, military drill, swimming and weapons training.

SHOWCASE — Mrs. Mary D. Giacinto, 2730 Myra st. in Lemon Grove, shows off this year's edition of Showcase, a publication which includes the works of winners from the La Mesa Writing Club's annual contest plus writings from club members. Mrs. Giacinto is vice-president of the club and is also contest chairman. This year's contest is open for entries until June 18.

Writing Contest Open In Three Categories

La Mesa Writer's Club has announced the beginning of their annual writing contest, open to all San Diego writers throughout the county.

The contest opened for entries Sunday and will continue to receive works in three categories until June 25.

Categories include short stories, poetry and articles.

The winners will be published in "Showcase", a book conceived and edited by the club and now scheduled for its fourth printing.

A copy of the book is awarded each winner, along with a trophy. The book is also sold to the public, with quite a demand being filled in the last three years.

The first two editions have been sold out, and the third, with five times as many copies printed as the first, is already half gone, with little advance publicity.

The current issue, the Astronauts Edition, has been commended by President Nixon and has also received recognition from authorities at the Astronauts headquarters in Houston.

To receive the contest rules,

Convert Dinner Set April 25

The formation of a Convert Dinner Committee was announced by Grand Knight Maurice DeMontagne of San Miguel Council, Knights of Columbus.

The Committee members, under the chairmanship of P.G.K. Arnold Zimmerly, are: Public Relations — D.G.K. Dick Kruger and Bro. Pete White; Invitations — Chaplain Fr. Dennis Barry and P.G.K. Frank Krenach; Reservations — P.G.K. Lefty Blessing and Bros. Ray Stangl, Al Brown and Orlando Johann, M.D.

The Convert Dinner will be held April 25 at the Hanalei Hotel. Grand Knight DeMontagne stated that it is hoped the dinner will become an annual undertaking of San Miguel Council.

SV's Culver Takes Course

INDUSTRY, Calif. — Malcolm James Culver of Spring Valley has completed a thorough course in air conditioning theory and procedures conducted by Day & Night Manufacturing Company here.

Culver is the owner of Culver Sheet Metal Co., located at 965 Indiana pl. in El Cajon.

The company merchandises Day & Night heating and air conditioning products.

Upon finishing the course, the student received a "Certificate of Completion" which, according to Training Director Merle Shaffer "indicates that he has mastered an intensive program of specialized knowledge and is fully qualified as an expert in the air conditioning field."

Cub Pack Receives Awards at Dinner

At their annual "Blue and Gold" dinner, held at the Lemon Grove Congregational Church, the scouts of Cub Pack No. 318 received many awards. George Clark, Assistant District Commissioner, presented the pack with a plaque for placing first in the competition for best display by Cubs at the recent Scout-rama.

In his remarks, Clark told the scouts that it was their willingness to explain their project to the public that made the difference. Robert Mundy, Chuck Welch, Mike Johnson and Jeff Miller were inducted into the pack and received their Bobcat pins with a candlelight ceremony.

Doug Williams, Bill Barclay, Darwin Foye, Gary Newman, and Peter Hanson were accepted by Webelos leaders Bob Pearce and Vance Hoaglund as they were inducted into the Webelos.

The den mothers and Webelos leaders presented the following awards: Den No. 1, John Phillips, Denner bars and year pin. Larry Hill, Denner bars, Assistant Denner bars, Brian Burgard, two silver arrows, John Sanders, Denner bars, Assistant Denner bars.

Linda McGarvey UCSB Scholar

The office of the Dean of Students at the University of California, Santa Barbara, recently released its Dean's List for Fall Quarter, 1969, citing 1432 undergraduates for outstanding academic achievement.

Linda McGarvey, daughter of Mr. and Mrs. R. C. McGarvey, of Lemon Grove, was on the Dean's List for the fall semester.

Miguel Students, Congress Write

State and National government stationery have been flowing into Mrs. Helen Santagelo's English classes at Mt. Miguel since early January.

One might wonder why the Mount Miguel English Department is receiving so much attention. Mrs. Santagelo's classes saw the film *Cimarron*, and soon after read a column by Jack Anderson that closely paralleled the situation that appeared in *Cimarron*.

The English students took a letter-writing course and soon began flooding officials' offices with their protests to the treatment of the Eskimos and the Navajo Indians concerning territorial and mineral rights of the land they occupied.

Compelled by the movie, they began to state their feelings about the unfair treatment revealed by current coverage of the Eskimos' and Indians' situations. Some of the students wrote to Senators, some to Congressmen, and some to State Legislators.

At this date approximately 50 replies have been received, most of them thanking the students for their concern and involvement in the very serious problem facing the Eskimos and Indians.

Gaylord Nelson, Chairman of the Senate Subcommittee of Employment, Manpower, and Poverty, was among the Senators to answer the students' complaints.

He thanked the students for their support on the Navajo Indian situation, and stated that he hopes his committee will have a chance to investigate the conditions under which the Indians live.

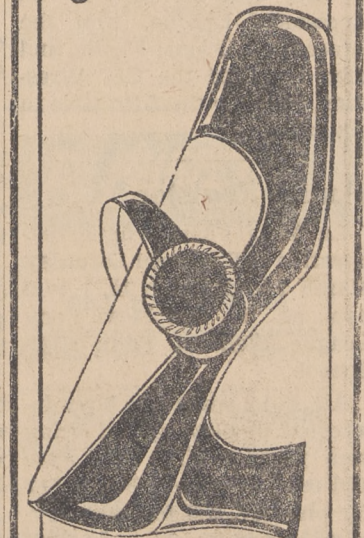

F.D. Promotes H. Alexander

It's "Acting Senior Captain" Harry Alexander now.

Directors of the Lemon Grove Fire Protection District unanimously approved the new title for Captain Alexander with a \$50 monthly stipend.

The board noted that he was promoted to captain on June 1, 1955, and he is many years in rank senior to the two newly appointed captains; that he has been very sincere and worked hard in the development of the Department; that under an arrangement with Assistant Chief Fred Dixon, he is designated to take full command of all fire suppression.

Pappy Hensley is chief of the Department.

Walton Dominates; Helix Finishes 'Perfect' Season

Bill Walton and Helix High have completed a near-perfect season and can retire as legends.

Walton, the seven-foot center, and Helix couldn't have done much more.

They won the county championship in the Sports Arena Saturday night, beating Chula Vista, 70-56 as Walton scored 31 points and gathered in 31 rebounds.

For the Highlanders, it was their second straight CIF championship and put the capstone on an unbeaten season.

It was also the 49th straight win over a period of two seasons for the Scots, and left their season record at 33-0.

Walton scored 958 points for the season, a county record and averaged 29.0, another record.

The Highlanders won two tournaments, including the large school division of the Kiwanis classic and the Covina Tournament, beating some highly-regarded LA teams in the process.

Walton was spotlighted in Sports Illustrated and was sought by a reported 140 colleges, including, one presumes, UCLA.

The Highlanders were never in real trouble all season. About the closest anyone came was Monte Vista in the league opener, when the Monarchs fell six points short.

The Highlanders made short

work of all the rest, and even beat one team by 95 points in setting a county scoring record.

Helix wasn't in much trouble against Chula Vista, although the Spartans had a front line that measured 6-8, 6-5, and 6-4.

They stretched a 15-9 first quarter lead to 35-24 at half-time, and pushed it to 55-34 at three quarters.

Mike Dupree, a 5-10 guard, was the only other Scot to join Walton in double figures in the championship game, scoring 11 points.

Other starters included Dan Coleman (8 points), Mike Honz (5 points) and Randy Madsen (7 points). Butch Paddock (5 points) was the sixth man.

In the semi-finals, Helix fought off a stubborn Castle Park crew, 75-54. Walton, playing one-on-one with 6-6 Elias Delgadillo, scored 33 points and hauled in 23 rebounds.

Coleman and Honz had 12 and 11 points, while Paddock and Dupree put in 9 and 8.

Delgadillo put in 21 points over Walton's defense.

Earlier in the week, Helix had put away El Cajon, for the fourth time this season, and Hilltop.

The Highlanders bombed Cajon, 109-47, and CIF playoff records for the biggest margin and highest total.

Walton scored 21 points in

that contest, while Dupree had 23, Coleman 16, and Honz 15.

Thirteen Scots broke into the spring column.

Helix also had little trouble with Hilltop, leading 41-24 at halftime and 68-35 at three quarters.

Each starter was in double figures in that contest. They included Walton (21), Honz (20), Dupree (15), Coleman (14) and Madsen (12). Walton also gathered 30 rebounds.

Dupree, the 5-10 sparkplug of the Helix attack, finished the season with 652 points and a 19.8 average.

Walton's statistics are impressive by any measure, including a tape applied to his height. His 958 points can be compared to the second best of all time, 776 by Madison's Dave Smith.

His 29.0 average is slightly better than the 28.7 set by Bonita Vista's Paul Halupa last year.

Walton's 1,386 career points is eighth of all-time, but the Helix standout only played regularly for two years and missed much of last season with injuries.

As a team, Helix averaged 88.0 points per game, with 2904 points in 33 games, and gave up only 52.2 points per game, 1721 in 33.

The Highlanders outscored their opponents by about 36 points per game.

DEBUT — Bob Morrison, Mount Miguel's highly-regarded sophomore miler, wasted no time in racking up a good time, running 4:32.2 in his outdoor debut. Morrison ran 4:32 last year as a freshman and has been regarded by track experts as another in a long line of great area prep milers.

Monarchs Capture CIF Wrestling Title

By Scott McGaugh

Monte Vista High School, a perennial powerhouse in wrestling, captured its fifth CIF wrestling title in six years last Saturday as the Monarchs were able to place eight grapplers in the final two rounds.

Monte Vista sent eight wrestlers to the CIF Prelims on the basis of their performance in the Grossmont League Finals held one week earlier.

There Monte Vista took six

firsts and two seconds in dominating the Finals.

The first two CIF rounds were held Friday with Monarchs Gary Nutting, Bob Skidmore and Fred Blocker surviving for the Finals.

However, the five Monarchs left in consolation could still pick up some team points with victories in their matches.

Leading over longtime rival Mount Miguel, 62-60, the Monarchs dropped three of their five matches in consolation.

Bob Fuller decided his man while Randy McCorqudale won his match on a referee's decision for the Monarchs' only two rounds.

Then going in the Finals, one loss by Monte Vista would eliminate them from the title competition.

However, Monarch Fred Blocker started off by decisioning his opponent, a wrestler from Sweetwater, to keep the Monarchs alive.

Then in the biggest individual match of the Finals, Monarch wrestler Gary Nutting pinned Don Jackson from Mt. Miguel to not only give the Monarchs a win, but the Matadors a loss.

Bob Skidmore then decided his man to assure the Monarchs of the CIF Title.

The final score saw Monte Vista as edging the Matadors, 76-70.

The victory gave the Monarchs a clean sweep this year as they tied for first in the Grossmont League, won the Grossmont League Finals, and then captured the CIF Wrestling Title for the fifth time in six years.

Padres Invade Yuma For First of 35 Games

YUMA — The Padres, after nearly three weeks of drills, are ready to commence a spring campaign called "operation offense."

The first of 35 exhibition games starts Friday at noon against the Oakland Athletics.

The contest will have a festive air as the city of Yuma, which built this magnificent \$600,000 baseball complex, officially blesses its stadium.

Ceremonies will start around 11:30 a.m. (PST) and are expected to feature representatives from all the teams training in Arizona.

Chub Feeney, National League president; Horace Stone-

ham, Giants; Charlie Grimm, Cubs; Joe DiMaggio, Athletics; and others will take part in the pre-game program.

The celebrated-Yankee pitcher "Lefty" Gomez will serve as master of ceremonies.

Arizona Governor Jack Williams will dedicate the 4,000-seat stadium, and when the band stops playing, manager Preston Gomez will have the first of many looks at what he expects will be a far improved San Diego attack.

Gomez, taking full advantage of the four fields here, has put heavy stress on hitting during spring workouts.

The manager knows all too painfully well that the Padres were outscored, 746-468, last year and out-homered, 113-99.

Opposing teams combined for a batting average of .267 against San Diego hurlers while Padre batters could achieve only a .225 average.

Highlanders, Mats Score Spike Wins

Helix and Mount Miguel, looking like possibly the two best track teams in the Grossmont League, tuned up last week with big wins.

The Highlanders beat a solid Clairemont team, 65-53, while Miguel outscored both Escondido and Hilltop in a triangular meet.

Ed Mendoza, Art Evins, Gunnars Valkirs, Bob Bishop and Rick Schultz were the Helix heroes.

Mendoza wasted no time in blazing to the county's fastest two-mile time of the year, 9:26.4. The time is only 13 seconds slower than the Helix junior ran in the state meet last year and serves notice that Mendoza is a threat to the nine-minute mark.

Evins got only a split in the hurdles, but his :15-flat win in the highs is good for equal to the area's best.

Valkirs pushed the shot 54-94, his lifetime best, and looks like state meet material in that event.

Bishop was a surprise, running a 1:58.4 in his half-mile debut. The runner had no previous credentials to establish him as a threat. The time is far ahead of others in the

county up to now.

And Rick Schultz cleared a lifetime best, 13-feet, in the vault, equal to the best in the area this year.

The Highlanders also got wins in the long jump, triple jump, discus, mile relay and high jump.

Miguel cornered seven victories on the way to outpointing Escondido and Hilltop.

Most significant were Bob Morrison's and Joe Stubbs' in the distances. Morrison ran 4:33.2 in the mile while Stubbs did 10:09.4 in the two-mile. Both are sophomores.

Milt Johnson took the low hurdles in :21.2 as Escondido's Rex Holloway tripped after getting off to a big lead.

Vaulter Rex Lowery cleared

12-6, six inches below his best last year and James King captured the shot with a 49-9½ toss.

The Matadors will be bolstered this week with the addition of Billy Joe Winchester, wrestling in the county finals last week.

Winchester is the area's and possibly the state's premier shot and discus thrower.

In other track debuts, El Cajon looked like they might give Helix and/or Miguel trouble while Granite Hills was mildly disappointing.

Cajon beat always-good Kearny in a dual meet and has come up with an ace hurdler to go with a 6-9 high jumper, a pair of 13-foot vaulters and a good distance crew.

Rockets - Little League In TeeVee 'Spectacular'

The Little Leagues of San Diego County will receive a giant sized kickoff to their coming season, Sunday, March 15, when the San Diego Rockets will have all little leaguers as their guests at the nationally televised game that morning against the Philadelphia 76ers at the San Diego Sports Arena.

The contest will be the National Basketball Association Game of the Week and will be telecast throughout the nation over the ABC network starting at 10:55 a.m. with Chris Schenkel doing the play-by-play. It will be blacked out in the San Diego area.

In conjunction with the game, the Rockets will also sponsor a Little League Ban-

ner Contest. Each team in the area is eligible to enter. The theme of the banner should be on the Rockets. Maximum banner length should not exceed 24-feet.

The contest will start at 10 in the Arena and will be broadcast over KFMB-Radio. The three banners judged best will be shown at halftime of the Rockets-76ers game and prizes will be awarded.

In announcing the contest, Rocket general manager Pete Newell said, "We feel that this will give the Little League in San Diego a great opportunity to publicize their program to this area, via radio, and to the nation, through television."

Tickets for the little leaguers are available at their district offices.

CHUCKIN' SPORTS

An Appeal For Better Minor Sports Coverage

By Chuck Curtis

Recently it has been my pleasure to pay a number of visits to the campus at San Diego State College. I have visited Tony Succ, meeting director for the upcoming San Diego Relays, March 23 in Balboa Stadium.

While there I visited with Cheezie Neal and stopped in at the office of Mike Ryan, publicity man.

Wednesday I picked up a copy of the San Diego State Daily Aztec, a fine little newspaper. Browsing through the paper, I came upon a number of items I have been trying to get for over a year — reports on events other than the major sports.

In addition to a story about the Aztec baseball team getting blasted 13-9 by UCLA in what was obviously a bad day for pitchers, there were other interesting items.

Another thing the Daily Aztec informed me of was the deadline for Intramural Softball.

It would be interesting to know how many teams signed up and how many of the youngsters happen to be from the Lemon Grove-Spring Valley area.

Co-ed Softball got underway Sunday on the fields behind Peterson Gym. Each team is composed of five men and five women at a time, although more may be listed on the roster.

Men's Badminton doubles competition got underway on Tuesday in Peterson Gym.

A one-day Handball Doubles competition will take place March 7.

In Volleyball the San Diego Intramural Athletic Club downed Sigma Phi Epsilon in two straight games to claim the all-campus championship.

The Intramural Club was represented by Jim Schanbacher, John Skalecky, Dan Reeves, Dave Howard, Frank Kingery, and John Adams.

The San Diego State Fencing team finished its regular season by slaughtering University of California at Irvine, 6-3, 8-1 and 7-2 in foil, epee and sabre.

The team was led by undefeated Dan Greenblat and once-defeated Rich Trafton.

In league competition the sabre and foil teams finished in first place. This was the first year State fielded an epee team and the team gained third place in league competition.

Saturday the three teams competed in the All-Conference Championships at Cal State Long Beach against UCLA, UC Santa Barbara and San Fernando Valley.

We have not heard the results. Nothing in the daily papers about it either.

It would be interesting to know and that is my point.

Ever since I came to the San Diego area over a year ago, I have been after the high schools, colleges, and universities to get us information on all school activities, not just the major sports, but ALL ACTIVITIES.

This would include minor sports, intramural sports, and all the many activities of the fraternities, sororities and the many clubs connected with the schools.

This is especially true of those of us who are trying to put out the best possible weekly paper. We make no pretense of trying to compete with the daily papers or the media of radio and television. All we want is to offer our readers the finest possible coverage of local events and this must certainly include the activity of their young people in school.

Most of the weekly papers operate on a small staff and must depend on the people involved. In the schools it falls on the coaches and the members of the various clubs. In the colleges and universities there are publicity people.

These people are fine about sending out press releases concerning the major sporting events, the band activities and the various fund raising happenings, but beyond that they seem to feel we have no interest.

THEY COULDN'T BE MORE WRONG.

Our interest is in ANYTHING that involves the people living in the Lemon Grove and Spring Valley areas.

El Capitan to Open March 12

El Capitan Lake will open for public fishing on Thursday, March 12 offering over 1,000 surface acres of water and a total of 90 rental fishing skiffs.

The lake, located eight miles east of Lakeside on El Monte County Park Road, is noted for its Florida bass, northern bass and channel catfish. It is expected that bluegill will be caught in the summer.

Operating hours will be from 6 a.m. to sunset on Thursdays, Saturdays, Sundays and major holidays.

SDS Spikers Host Arizona

San Diego State's track team will return to competition this Saturday as it hosts the first of four attractive home meets.

Set for 11:30 a.m. at Choe Sportsman Track on campus, the Aztecs will host the University of Arizona and Cal State Fullerton in a double dual outing.

While winning against Arizona is nothing new for the Aztecs, they whipped the Wildcats 76-49 last year in Tucson, facing Cal State Fullerton will as they have never met before.

Scots Can Do It As Aztecs, Too

Helix High products are revisiting Aztec standards in track and field.

First it was Rick Olander, who moved the San Diego State vault record up to 16-5 1/2, then lately Mike Cour and Ralph Lavage have burst upon the scene.

Cour's 9:53.9 in the steeplechase puts him sixth on the all-time list, while Lavage ran 21.5 in the 220, fourth best in Aztec history.

CARD OF THANKS

Keller Blesses Thomas For D.A.

District attorney Don Keller, 65, and his assistant D.A. Robert L. Thomas, 51, exchanged vows Monday night atop the new Westgate Executive hotel in what may have been San Diego's first political double header.

Keller, noted nation-wide for his resistance to crime in San Diego, announced his decision to not seek re-election while bestowing his blessings on his assistant, Bob Thomas.

Robert L. Thomas

Keller called Thomas the "greatest trial lawyer in the U. S. and a man of complete integrity."

Thomas had earned the tribute with his enthusiasm for seeing justice done. Criminal elements will not be pleased with Thomas as D.A., it is said.

Keller served as D.A. for 24 years who carries the label of "tough prosecutor" and "fearless crime fighter."

He recruited Thomas in Washington in 1954 while Thomas was completing his fourth year as an F.B.I. agent. He was named Keller's chief deputy in 1965.

Bonelli Indicted

Keller achieved nationwide fame for his prosecution in 1950 of William G. Bonelli,

member of the state board of Equalization on charges of liquor license bribery. Bonelli fled to Mexico where he is still reported to be.

He prosecuted the kidnapers of Anthony Alessio; the four persons charged with killing Tony Mirable, the latter reputedly a Mafia chieftain; investigated the assessor's office which resulted in bribery indictments against the assessor and his chief assistant as co-conspirators, and initiated grand jury probes of the welfare department which resulted in the retirement of the director and the reorganization of the department.

Thomas and Keller made announcements facing a corp of reporters while teevee lights burned and cameras turned. More than 150 friends and well-wishers filled in the background.

Thomas said he would continue the high degree of performance and integrity associated with Keller but he "did not intend to be a carbon copy."

Thomas noted that crime is the greatest problem in civilization; that crime is up 120%; population up only 11% and victims up 200%.

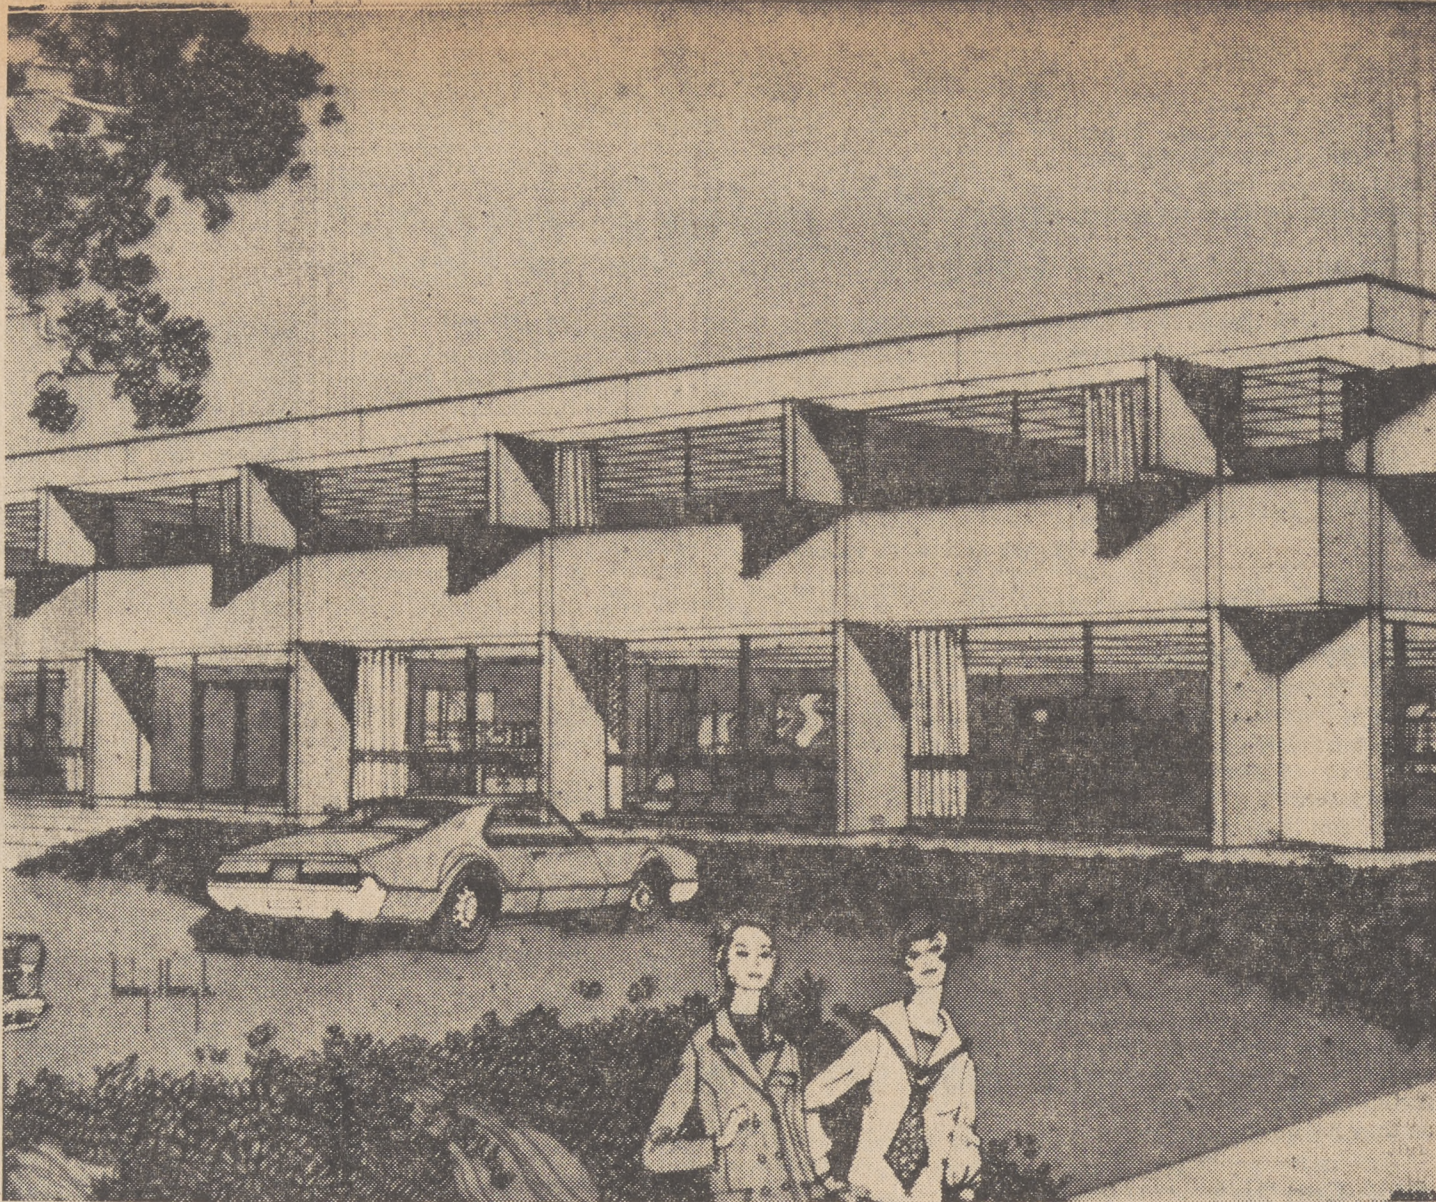

"Citizens are becoming fed up with crime," he said.

Syndicated crime is becoming more and more interested in San Diego but organized crime here does not exist, he said.

Nevins Runs Again

Richard Nevins, Southern California Board of Equalization Member, last week announced his candidacy for reelection in November and pledged to continue Board economies which have already saved tax money despite increased population and higher workload.

The Interior Department is launching a new anti-litter campaign.

GOING UP — A new two-story building will be erected on the perimeter of the Grossmont Shopping Center to house Pacific Telephone's suburban plant and commercial division employees as well as a yet unnamed national tenant. The \$1.2 million structure will encompass 37,000 square

feet, with the telephone company occupying 20,000 square feet. Grossmont Shopping Center Co. are owners of the new office building, while Melhorn Construction is general contractor.

PAUL HAYES

Paul Hayes Candidate For Sheriff

Paul Hayes, a career law officer, has announced his candidacy for the office of Sheriff of San Diego County.

Hayes, 50, a 27 year veteran of the San Diego Police Department and a native of San Diego said that as Sheriff he would place more emphasis on drug control through a drug education program involving parents, teachers and young people.

He feels the primary concern of parents in the community is the increase in drug use and experimentation among the youth. The elimination of the drug pusher must be a primary target of law enforcement.

Hayes will use his 27 years of experience in law enforcement to reduce the alarming increase in major crimes committed daily against the person and property of our citizens.

His campaign will also cover strict enforcement of county pollution ordinances, juvenile delinquency control, improved press relations and community relations, and a continuing effort to professionalize law enforcement.

He is aware of the tremendous drain on the taxpayer and will operate the Sheriff's Department within a sensible and practical budget.

Hayes is a graduate of San Diego High School and San Diego City College. He has attended Balboa University Law School and San Diego State College, where he majored in Public Safety Administration and received a degree in Police Science.

He has been awarded an Advanced Certificate in the field of law enforcement from the State Commission on Peace Officers Standards and Training, and received his teaching credentials from the California State Board of Education.

Hayes is past president of the San Diego County Chapter of the Peace Officers Research Association of California and the San Diego Police Officers' Association and has made numerous appearances in Sacramento to testify before State Legislative Committees on issues vital to the law enforcement officer.

Hayes resides at 5178 Brockbank pl., San Diego, with his wife, Clara, and they have two sons.

Congressman Morris Udall Here For Van's Banquet

Arizona Congressman Morris K. Udall will be featured speaker at the Fourth Americana Gala, March 7 at the Hotel del Coronado.

The annual Gala is a fund-raising dinner for San Diego's Democratic Congressman, Lionel Van Deerlin.

Tickets for the event are \$50 in the silver circle and \$100 for gold circle seating. Tables

for 10 are available for \$500 and \$1,000 in the silver and gold circles, respectively.

Congressman Van Deerlin will address the group briefly, introducing Udall, who is a member of the House Committee on Interior and Insular Affairs; and Post Office and Civil Service.

Chairmen for the event are Paul A. Peterson, Earl T. Pridemore and R. R. Richardson.

The dinner will begin with a champagne reception at 6:30 p.m. in the hotel's Crown Room.

Also on the program are the Rev. Grandison Phelps and Rabbi Joel S. Goor, who will deliver the invocation and benediction.

Duffy To Greet 1,500 Supporters

Sheriff's Capt. John F. Duffy will kick-off his campaign for County Sheriff with a party for his supporters Saturday at the Town and Country Convention Center.

Capt. and Mrs. Duffy will greet an estimated 1,500 Duffy backers at the 8 to 11 p.m. event.

Entertainment by a mariachi band will be featured and Duffy will make his first major campaign speech.

Because of the size and popularity of San Diego County, Duffy indicates that this will probably be his only during the campaign to meet with all his supporters.

"The tremendous response to the announcement of my candidacy, indicates that San Diego residents are very concerned about the upcoming election," Duffy said.

SDG&E Asks For Too Much

SAN DIEGO — San Diego Gas & Electric should reduce its request for a \$5,197,000 annual gas rate increase if it wants expeditious handling of its application, an attorney for the California Public Utilities Commission argued.

In a preliminary statement at a Commission hearing on the matter, Attorney Leonard L. Snider said the amount requested by the utility would substantially increase its rate of return beyond that last found reasonable by the Commission.

Snider said that the Commission had last fixed a reasonable rate of return for San Diego Gas & Electric in 1961, that that rate of return was 6.3%, and that to maintain that rate of return the utility should reduce its requested increase by about 25% or be prepared to enter a full-scale rate case.

Congressman James Utt Passes at 70

Funeral services were held yesterday in Garden Grove for Congressman James B. Utt, who died Sunday in Washington. He was 70.

Utt, whose district once included Lemon Grove and Spring Valley, became ill while attending church. Later, he was taken to Bethesda Naval Hospital where he was pronounced dead.

He lived in Santa Ana and is survived by his wife, Charlene, and his son, James.

He had planned to seek reelection. It would have been his 10th 2-year race. It was a foregone conclusion that he would have been re-elected. In 1968 he won the largest popular vote of any of the 435 congressional candidates that year.

He was noted for his conservative views and he neither drank nor smoked. He was an attorney.

His office will be filled by a special election.

When his district included Lemon Grove and Spring Valley, he was a frequent visitor to local service clubs.

Clair Burgener Is Candidate

State Senator Clair W. Burgener (R-La Mesa) Friday announced his candidacy for reelection to the California State Senate in the 38th Senatorial District covering East and North San Diego County.
